

# CUBA-US RELATIONS: BACK TO THE FUTURE WITH DONALD TRUMP?

**Public meeting with  
Canadian author Arnold August**

**Tuesday 12 June, 7pm**  
Old Council Chambers,  
Wills Memorial Building,  
Queens Rd, BRISTOL, BS8 1RJ

Since his election US President Donald Trump has overseen a reversal of improved Cuba-US relations: tightening the 56-year-old US blockade against the island, approving funding for 'regime change' programmes and reducing staff at the US embassy. Expert on Cuba-US relations Arnold August will discuss what the future holds under the Trump administration.
