

Rally for Jobs

12 noon, Sat 24th October
Centre of Broadmead, Bristol
Facebook event: tinyurl.com/BrisJobRally

Unemployment is already soaring and likely to spike further when the government ends the furlough scheme on 31st October. Unite has called for the scheme to be extended to avoid the risk of 'redundancy floodgates' opening. We can't let unemployment mar our communities and help bosses drive a race to the bottom on terms and conditions. Join us in the centre of Broadmead, between Barclays and Metro banks as we rally for jobs.
